

STAY AWAKE THROUGH PRAYER

STAY AWAKE THROUGH PRAYER

This is a Loving Message from Our Lord Jesus Christ to be disseminated throughout the Whole World

Take this message to all communities throughout the whole world, who honour and pay homage to my holy name, who work with a burning desire for a future church which, functions in total obedience to the will of the Heavenly Father. They expectantly wait to disperse this message for the salvation of the world; because they labour in search of my words, my message. **Let neither a syllable nor a word of this message be altered, for it has been written and expressed under the inspiration of the Holy Spirit.** Be quick, in dispersing this message for the protection of my helpless sheep.

(1st July 1999)

Therefore, you have the permission to print in any language and distribute this message in keeping with the above directives of Lord Jesus.

This message is intended for all the people in the world, those who follow any religion as well as those who do not follow any. Christian literary style has been adopted to present this message. The Almighty God, the Universal Creator, the WORD (Dhamma) became man and took abode in this world as Jesus. Jesus who shouldered the sinful burden of the entire human race brought salvation and redemption through His priestly sacrifice, through His death and resurrection. The Glorified Lord Jesus lives forever and ever.

Anybody could communicate with God through this message addressing Him as the Creator, the **WORD** (Dhamma). *Stay Awake Through Prayer* means total awareness of the events and incidents of the surrounding through an intimate dialogue with the **WORD** (Dhamma).

Jesus exclaims that the moment for the fulfillment of the prophecy of prophet Joel described in St. Peter's great sermon is at hand.

In the last days, the Lord declares. I shall pour out my Spirit on all humanity. Your sons and daughters shall prophesy. Your young people shall see visions. Your old people dream dreams. Even on my menservants and maidservants in those days, I will pour out my Spirit; and they shall prophesy. I will show wonders in the sky above and signs on the earth below, blood and fire, and vapor of smoke.

The Lord declared so through the menservants and maidservants of this community, which was chosen, prepared and appointed by inspiration of the Holy Spirit. He called it "*My Supreme Community*".

I have called you to announce that all priest, religious and laymen have been subject to a dangerous period. The one whom I chose and anointed as the Holy Shepherd [Pope John Paul the Second] is suffering from an incurable disease. In the near future a number of great world leaders will be assassinated. Foundation for a third world war had already been laid.

The diabolical symptoms of Satan, the ancient serpent has joined forces with time to destroy humanity, to steal your freedom, which God Almighty bestowed. You therefore hasten to print in all languages and circulate a bulletin warning people of the symptoms of the beast and urging them to engage in ceaseless prayer and place total reliance in my name in order that they may not to be deceived by satanic influences.

I have spoken to you this way in order to appoint as shepherds to those who are ignorant of the power of my name and the need to renounce Satan and his evil ways. Therefore, continue to print and circulate my call through out the world. The bulletins intended for circulation should expressly state that all satanic deceptions, designs and devices will be defeated.

- *Message from Blessed Lord Jesus on 20th June 1999*

Tell this too to my poor sheep. Remain within the Catholic Church only, which is prominent among the churches, my own church which stand on the foundation that I laid. Refrain from searching salvation in churches, which have distanced themselves from my name from my inspiration. Mention this very specifically.

- *Message from Blessed Lord Jesus on 1st July 1999*

This is the time to guard against all the tactics of the beast who bears the number “666”

Today, all forms of news media in the world keeps on announcing the dawn of the 21st Century and the ongoing preparations. It appears that various groups are trying to enslave, not only the world economy, politics, monetary transactions, industries, transportation and mass communication; but religions of the world too to the power and potential of computer technology. But this is not the correct way, how you should get ready for this time. Because you have reached your testing time.

The 42 month long period mentioned in **Revelation 13:5 & 12:14** will follow soon on all the people in the world. The testing consists of two stages - one the plagues and pestilence, the other - temptation. Plagues and pestilence will emerge from men and the world at large, the temptation through carnal pleasures induced by Satan and enslavement to gimmicks of modern technology.

Why has a period of chastisement been destined for mankind as the end time judgement is approaching?

1. In order to provide an opportunity pros and cons of man's spiritual existence, his thoughts and desires.
2. One's conduct during the period of chastisement will enable him to assess the connection between the expected, future, eternal life and present religious precepts & resultant way of living.
3. To provide an opportunity or activists - lay and religious - of all religions to see the fruits of their spiritual seeds [labours] which, they have sown.
4. To provide an opportunity for all religious organizations, sects and churches to understand as to whether, their teaching about God, their efforts for God are correct or fruitful.
5. All followers, leaders, of major world religions say that their faith is true, their church, sect, precepts, scriptures and teachings & convictions, rites & rituals, vision & mission are correct and complete. The onus of proving the validity of their claims through proven records and results falls on all them during this period, the period of chastisement. Accordingly they will be in a position to understand the choices their followers will make - whether it is the short-term satanic favours or the spiritual way of life.
6. Salvation does not mean clinging on to worldly matters. But God, over the years in response to your prayers grants worldly benefits as well as spiritual gifts. You know it. But God admonishes all, to pray for spiritual gifts as against worldly benefits during this short period of chastisement, to give priority to spiritual gifts as the end time judgement is knocking at the door. Also to be vigilant as Satan and his henchmen will give worldly possessions and other benefits over and above what is needed.
7. As a result the above mankind must face a cleansing process [purification] necessary for a judgement to be followed by a new era. Then, you will be able to decide as to your choices - whether

 - o The spiritual way of divine love OR the way of worldliness.

Occurrences of damage and destruction resulting from earthquakes, floods, famines, war and poisonous gasses will be on the increase in this period. The most significant event of this period of chastisement will be God's **Great Warning**. This may take the form of earthquakes, total darkness, quakes and convulsions resulting from meteoric rains in reminding men of sin and its continuing evil influence over the years. Few of the lessons that God reveals through these incidents are

Man works against God, a change in human way of life is necessary and sin deserves divine punishment. Further they also reveal that the Holy Trinity consisting of Father, Son and the Holy Spirit is God, the Word and Creator, Divine presence of Jesus Christ - the Son, in the Sacrament of The Holy Eucharist.

The Devil, the Satan, the Anti Christ, the Ancient serpent is enforcing its devious plans by offering you the forbidden fruit again to possess you and rob you of the God given gift of free will through science, computers, internet, barcodes and the microchips.

2000 years ago Jesus Christ has warned us not to be enticed by the forbidden fruit and devour it. Around end of 1st century AD St. John the Evangelist has said the following in **Revelation Chapter 13:16 - 18:**

It compelled every one - small and great alike, rich and poor, slave and citizen - to be branded on the right hand or on the forehead, and made it illegal for anyone buy or sell anything unless he had been branded with the name of the beast or with the number of its name. There is a need for shrewdness here: anyone clever may interpret the number of the beast: it is the number of a human being, the number 666.

St. John has foreseen the things to happen during the *end times* as warned in the Holy Bible throughout 20 centuries. You must understand the following, which are related to the matters discussed in Chapter 13 of Book of Revelations.

The Dragon described herein has been identified with autocratic, atheistic, extremist political movements. The Masonic movement, which has surreptitiously and cunningly ranched out all over the world, which helps its members to acquire controlling power in politics and business through devious means, which indulges in the practice of Satanic Black Mass is associated with the Black Beast. [Today, even some of the leading figures in the world scene are members of the Masonic Movement.]

1. The Beast with lamb's horns described in **Revelation Chapter 13** is the secretive Masonic Movement whose membership includes priests and other religious dignitaries who have surreptitiously entered the Catholic Church and usurp high positions in church hierarchy, engage in occultist *Black Mass*. They will attempt to confuse and confound the masses about the true faith of the Catholic Church, her teachings, celestial relationship of Jesus Christ and present a False Church, an Anti-Pope, an Anti-Christ [an imposter named **Maithri** portrayed as a redeemer.] Further, the secret organization [Beast with lamb's horns] having entered the Church destroys the very roots of repentance by

justifying, glorifying sin, by encouraging reckless indulgence in gratification of carnal desires.

The Beast with lamb's horns will misinterpret the words of God by adding rationalist thoughts and diminishing its rich contents, by perverting the divine message of God contained therein. In like manner, propagation of its false interpretations among Christian & Catholic Churches and world over would be its sole objective. It will also attempt to prevent the proper administration of the Offertory in Holy Mass, which is the fountain of Heavenly Father's loving kindness and graces for mankind. It will also attempt to interpret the mystery of the Holy Eucharist in terms of a mere commemorative sharing of food among brothers and by denying due reverence, by ignoring real presence of Christ, by downplaying the significance and importance attached.

It will also endeavour to build up a grand church by uniting the Catholic Church with the other fundamental churches, which have been poisoned by diverse and different opinions. With this purpose in mind, it will attack the divine teachings and rich rituals of the Catholic Church. It will attempt to destroy true Christian Values, meaningful rituals and confuse the precepts and prescriptions. Also, the agents of the Beast have assumed control of world organizations and economic centres and are engaged in the process of expanding their dominance. Proceeding further, they will contaminate the very spiritual essentials of all religions and form a grand religious coalition with a view to expediting materialistic development. Domination and Power cutting across the entire globe will be their sole objective.

They will build a very powerful super computer to represent the Black Beast and the Beast with lamb's horns (yet hiding their identity). Very tiny microchip will be implanted in all human beings, either in the arm or forehead in order to (a) implement the social and economic policies sanctioned by the Beast, [b] to enroll members, [c] to distribute various benefits. It means total surrender of one's mind and body to the dictates of the Beast.

Accordingly, they bind themselves under oath to be sustained by the Beast, disregarding the sustenance provided by God - the loving Lord, who from time immemorial provided man with food and other essentials of life. The Lord reveals that a few at least, from all countries has fallen victim to this new development. In this manner, the mankind has desecrated love, truth and holiness and allowed Satan to usurp the God given gift of free will through the medium of a computer chip (Micro chip). In return for this enslavement they may reap benefits in the form of pleasures and possessions, free sex and perverted behaviour and partnership in new technology.

Above events vividly described in **Revelation 13: 16 - 18** may not be seen and understood instantaneously. But, they are at your very doorsteps, at your hand. We remind you, we warn you, that you have to guard yourself, your friends and family members against these diabolical events. Because, Revelation 12: 7 - 9 says that the Ancient Serpent, who through temptation and the forbidden fruit threw the mankind in to eternal darkness has returned. It would be a great blessing if you could perceive the presence of the Ancient Serpent near you, coiling him-self around your feet.

The contents of **Revelation 13: 16 - 18**, written through the inspiration of the Holy Spirit about 1900 years ago clearly shows that the branding [seal] either on the forehead or right hand refers

to the microchip currently in use. The microchip serves as a powerhouse of information. Data relating to birth certificates, identity cards, bank accounts, credit cards, medical assistance, driving license, pass ports and cash cards could be stored in a microchip. The cash cards widely used world over, including our country is powered by a microchip. It is not a difficult task to isolate the chip from the card and implant the chip in a human arm or forehead. The chip to be developed by the Beast will be more sophisticated than the present chips. Microchip Readers [stripe readers] have been made available to departmental stores and service centres. Every reading passing through any of these reading devices would be registered at the Computer bearing the Beast's name. The paramount responsibility of preventing your acquaintances and all humans, if possible from falling prey to this diabolical machination of implanting chips into the body.

'Marching forward hand in hand with modern technology', 'Efficiency in exchange of goods and services', 'Easy and effortless employment', 'A cash-less society', 'Arrest theft and fraud' and 'Halt Lawlessness' might be some of the propaganda slogans, that induce men and women to be implanted with the chip. Political leaders, acting in alliance with the Beast may compel the people to be branded assuring them that economic prosperity and other comforts and conveniences of life would accrue to those who opt for branding. But, do not fall a victim to this tempting bid. This may result in some sort of temporary inconveniences to you. But don't be afraid. ***Seek the Kingdom of God first and his saving justice. And all these other things will be given to you as well. [Holy Bible - Mathew 6: 33]*** In accordance with these words of Christ God Almighty will take care of all your needs and wants.

Anti Christ too, has chosen the traditional symbol-the eye within the triangle, which represents the unity and oneness of the Holy Trinity as his mask. These movements are in the process of opting to the pyramid as their Logo. Be vigilant. Identify and understand the subtle ways they adopt through the usage of their logos.

The world accepted International Finance Institutes has assigned the following numerical values to the letters of the English alphabet in order to satisfy their administrative requirements. A = 6, B = 12, C = 18, D = 24. Similarly the other letters in the alphabet receive their values under an arithmetical progression with a difference of 6 between each adjoining letter. You may calculate the numerical value of the word 'Computer' in the following manner.

$$C = 18 + O = 90 + M = 78 + P = 96 + U = 126 + T = 120 + E = 30 + R = 108 = 666$$

Another area, where the Beast has kept concealed his number is the computer bar code. Each line of a bar code is linked to a specific number. Not only data relating to goods sold and their prices are stored in a bar-code but the number of the beast also. According to **Revelation 13: 17**, nothing could be sold or bought without a bar-code incorporating the Beast's number. The Bar Code Sticker has become an indispensable item for the sale and purchase of goods and services as most of the supermarkets found in every part of the world are equipped with computers. The microchip is taking these developments a step further.

Presence of computers at home or office and their usage do not pose any problems. Neither a sale nor a purchase of a bar-coded article does pose a problem. Similarly, using a credit card or a cash-card does not lead to problems. But, you should not proceed beyond this limit. Beyond that limit you will find the 'forbidden tree'- i.e. the microchip. You should never be branded with the Beast's seal. Those who are branded will enslave themselves to the dictates of the Devil and his gloomy dominion. Light of the Lord will free you from all bondage and lead you to heaven, while the Devil will throw you in to destruction.

In this manner, all essential goods and services would be made available to all those who are embedded with a microchip and the group of followers of the beast would be able to pervert the minds of men to suits beast's dictates. The Beast may attempt to murder all those, who refuse to be branded with microchips (to adore the beast). You should have the ability to sacrifice, to forego during this short period for the sake of eternal bliss in heaven.

What happens at the end of this short period during which Satan has been given a free hand is disclosed **in Revelation 16: 2**

The first angel went and emptied his bowl over the earth; at once, on all the people who had been branded with the mark of the beast and had worshiped its statue, there came disgusting and virulent sores.

The scientific opinion is that the chip may lead to cancerous diseases, because of its linkage to the main computer through electronic waves. Oh! How true and accurate is the vision, which St. John, the Evangelist received at the inspiration of the Holy Spirit 1900 years ago?

PREDICTIONS OF DELIVERANCE

Comfort, comfort my people, says your God.
Speak tenderly to Jerusalem, and cry to her
that her warfare is ended,
that her iniquity is pardoned,
that she has received from the Lord's hand
double for all her sins."

A voice cries:
"In the wilderness prepare a way of the Lord.
make straight in the desert a highway for our God.
Every valley shall be lifted up,
and every mountain and hill be made low;
the uneven ground shall become level,
and the rough places a plain.
And the glory of the Lord shall be revealed,

and all flesh shall see it together,
for the mouth of the Lord has spoken".

A voice says, "Cry!"
And I said, "What shall I cry?"
All flesh is grass,
and all its beauty is like the flower of the field.
the grass withers, the flower fades
when the breath of the Lord blows upon it;
surely the people is grass.
The grass withers, the flower fades;
but the word of our God will stand for ever.

Get you up to a high mountain,
O Zion, herald of good tidings;
lift up your voice with strength,
O Jerusalem, herald of good tidings,
lift it up, fear not;
say to the cities of Judah.
"Behold your God!
Behold the Lord God comes with might,
and his arm rules for him;
behold, his reward is with him,
and his recompense before him.
He will feed his flock like a shepherd,
he will gather the lambs in his arms,
he will carry them in his bosom,
and gently lead those that are with young.
